

**Agenda**  
**Lower CT River and Coastal Region Land Trust Exchange**  
**Meeting**  
**Wednesday, January 18th, 2012, 7 P.M. – 9 P.M.**  
**CRERPA Office, 455 Boston Post Road, Old Saybrook, CT**

**7:00 – 8:30**

***New England Conservation Easement (or Fee) Aggregation Project –***

A continuation of the conversation begun with Keith Ross at last March's meeting. How can we adapt the current Easement/Fee Aggregation Project Model to the needs of the Lower Ct River and Coastal Region.

**Stephen Johnson**

**New England Forestry Foundation**

Stephen Johnson is the owner of Sage Advisors, a consulting group working with New England Forestry Foundation to document the accomplishments and needs of partnerships interested in doing Aggregation projects. Stephen has a diverse background in land conservation having held leadership roles in state government, regional land trusts, and research.

**8:30 – 9:00**
